"So the boat glides pleasantly along, with little to mark what is really happening, and when the farther shore is reached, the transit, in retrospect, seems short indeed. But the passengers are not the boys who came aboard, for although they have the same names and the class numbers, they are quite different people." A. L. Lowell

The Faces Of Jesuit

We Are The Rangers . . .

All Seven Hundred Of Us . . .

Every One Of Us.

"curiosity or the desire to know is the origin of knowledge."

Miguel De Unamuno

Every yearbook has a theme, ours is the faces of Jesuit. Simply, this book is a look at those faces that compose a school. Some curious for knowledge, some waiting to be transformed to curiosity, some transforming, some dreaming, some only here. Whatever, your face, your goal, we have tried to include all seven hundred faces. It is our wish that you look at the book, not the number of times a particular face appears. We each go out to swim, sink, or float in a vast swirling pool of faces. The world appears to us so many, many faces. But one face can make the difference.

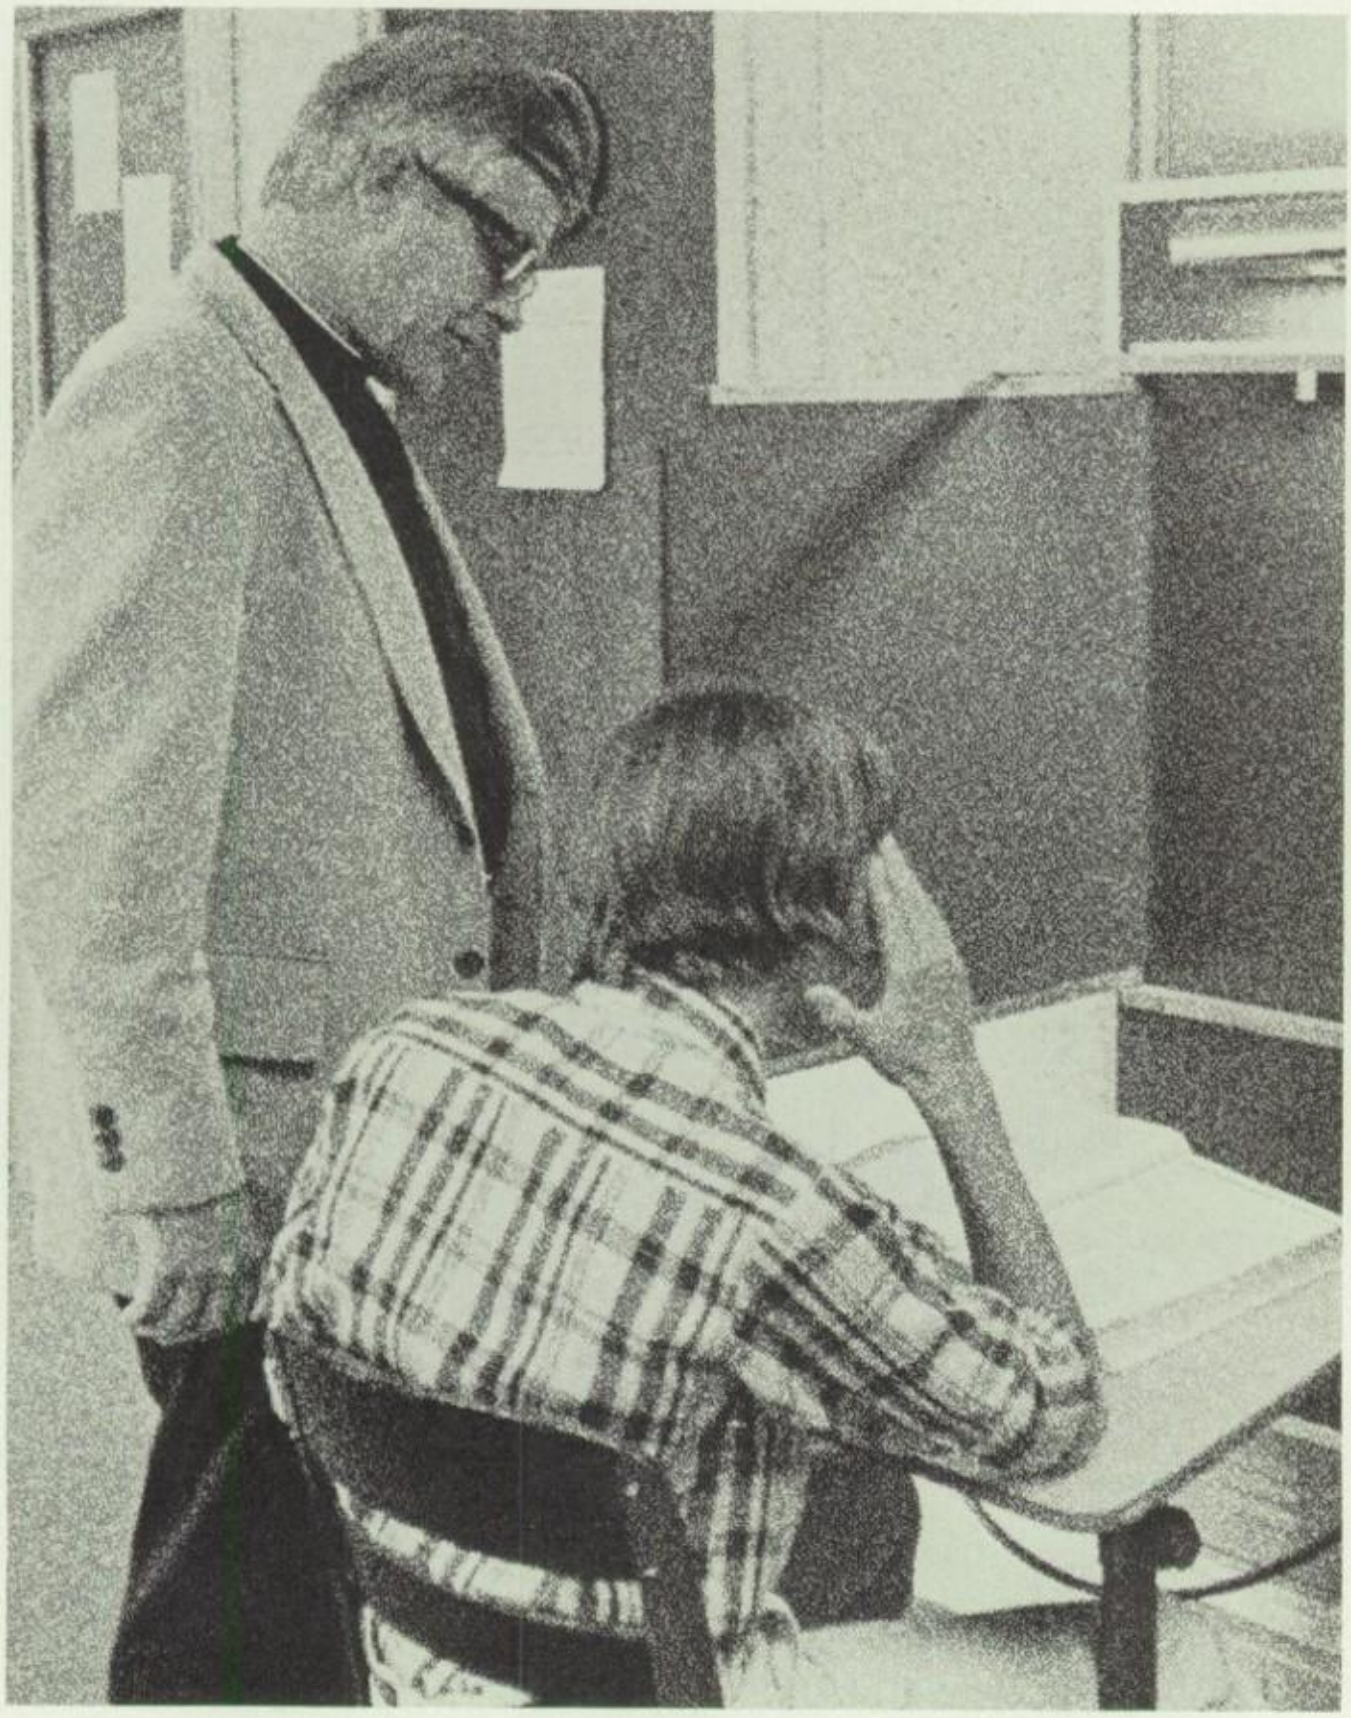
Administration And Faculty

Principal . . . Considerate . . . Friend . . . Loving . . . Kind . . . Patient . . . Christian . . . Some of the words that turn in the mind when trying to describe Fr. Koch. One student called him unbelievable, another said, no, only were his dreams, but then that is why Jesuit continues to grow, because of those unbelievable dreams about Jesuit and Jesuit students.

Rev. Fr. Pat Koch SJ
Principal

Rev. Fr. Rivorie SJ
Asst. Principal
Alumni Director



Rev. Fr. Thomas Naughton SJ, AB, MA, M Ed, STL.
President

Fr. Naughton continues in his second year to give with untiring effort, all of his abilities to make Jesuit in Dallas an outstanding school. Father's message to the students is in the form of the quote from Lord Tennyson.

"Each time a man stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he sends forth a tiny ripple of hope, and crossing each other from a million different centers of energy and daring, those ripples build a current that can sweep down mightest walls of oppression.

Long time ago beanies were new and confusion and awe reflected in our faces. A journey to Athens, sophomore year, and then time passed swiftly. Now the end is at hand, and we are left with the memories of the faces of Jesuit.

Though some complain about the often apparent frivolity of senior year, there are working moments. Working on the yearbook often a thankless task, studying quickly in the breezeway in the fleeting moments before class begins, or catching up on the news in the library. Seniors work in community service and in class — it is just that too often the Senior face is that of fun times.

THE DOOR

Go and open the door.
Maybe outside there's
a tree, or a wood,
a garden,
or a magic city.

Go and open the door.
Maybe a dog's rummaging
Maybe you'll see a face.
or an eye,
or the picture
of a picture.

Go and open the door.
If there's a fog
it will clear.

Go and open the door,
Even if there's only
the darkness ticking,
even if there's only
the hollow wind,
even if
nothing
is there,
go and open the door. At least there'll be a draft.

Football 74

The 1974 football season saw a Jesuit Ranger team that had a great potential from the beginning and determined will to fulfill their winning goals. And fulfill them they did: Winning their last six in a row, sweeping district (and outscoring their district opponents 80-6), and finally, winning the coveted TCIL State Championship.

Early in the season, injuries to key people and mental mistakes plagued the Rangers as they struggled to a 1-3 start. Improving every week, Jesuit won two out of their last three pre-district games, gradually developing a winning form. Due mostly to the tough opposition in the pre-district schedule, the Rangers breezed through district, ready to take on Houston St. Thomas in the semi-finals. As far as Jesuit was concerned, the season was just now starting. The Rangers defeated the War Eagles 17-16 in the final minutes and went on to humiliate San Antonio Central Catholic in the State Championship game, 43-0, bringing home the State Championship trophy for the first time since 1967.

RANGERS FUMBLE AWAY OPENER

LONGVIEW

The season opener against Longview was disappointing as the Lobos shut out Jesuit for the third year in a row, this time 28-0. As in the last two years, the Rangers made early mistakes which cost them dearly. A fake punt deep in Jesuit territory failed and two lost fumbles led to three Longview touchdowns in the second quarter within a time span of 2:23. The offense sputtered for only 85 yards rushing and 103 yards total offense while the defense tried to contain the quick Longview backfield that stepped off 189 yards. The brightest spot was undoubtedly Rich Rager's performance at middle linebacker, getting in on 18 tackles after coming off surgery early in the week.

PERRYTON

In the second week of the season the Rangers travelled to Perryton, a small town three miles from the Oklahoma border. Penalties and mental mistakes grounded the Jesuit offense in the Panhandle's wind as Perryton handed Jesuit its second loss, 7-6. The Rangers scored in the third quarter (avenging a first quarter touchdown pass by Perryton) but missed the extra point to trail. After a non-productive fourth quarter, Jesuit drove down to the 25 yard line, setting up a 42 yard field goal with seconds left. Joe Unis' kick into the wind was barely wide left, and the Rangers took the long drive home.

RANGERS SLOSH BY WILDCATS

PARIS

On a rainy, windy night the Rangers slipped and slid to a 3-0 victory over Paris by virtue of Joe Unis' 23 yard field goal with four seconds remaining. Ironically, Unis had missed the winning field goal the week before in Perryton. This night was his along with a voracious defense which allowed only 65 yards rushing and −2 in the air. Defenders Rager, Mike South, Bob Blum and Barker played key roles in the Rangers' first win. Barker led Jesuit rushers with 41 yards. Most importantly, the Rangers had a taste of victory they would never lose.

SHERMAN

With a win under their belts, the Rangers next battled Sherman at home. But, the Bearcats' Randy Stevens scored two touchdowns, one on a 56 yard run, to give Sherman a 13-0 lead. Jesuit retaliated with junior Alan Stone's seven yard touchdown run with 8:10 to go in the fourth quarter. But, Sherman held on for a 13-7 victory and Jesuit stood with a disappointing 1-3 record.

ARLINGTON

After an open week, Jesuit battled the Arlington Colts (1-4-1 there, in the last game before district. Pride scored on runs of 2 and 36 yards and Joe Unis kicked a 23 yard field goal as Jesuit handed Arlington a 17-9 defeat. Pride and Barker galloped for 135 and 70 yards respectively and the defense, led by linebackers Rager and Blum throttled the Colts. The secondary of Dennis Brett, Steve Gambrel, and Unis held the Colt quarterbacks to 10 for 28 and 2 interceptions passing. This proved to be good preparation since Bishop Lynch and Scotty Nichol and his vaunted passing attack were to be Jesuit's next opponent.

ST. GERARDS

The next week St. Gerard's came to town to test the Rangers. The first play from scrimmage seemed to signal the outcome of the game — senior Kraig Pride rambled 23 yards on a power trap. Jesuit had scored only 16 points all season and had averaged but 106 yards rushing in four games. Pride blasted out 103 yards on 21 carries himself and the Rangers totaled 261 yards rushing. Pride scored early in the first quarter on a one yard jaunt and just before the half on a nine yard pass from quarterback Vic Lucido. Steve Spangler ended the scoring on a one yard run and Jesuit came out a victor, 21-7. Linebackers Bob Blum and Rager and down guard John Harris played outstanding games and the defensive secondary throttled the explosive Royals passing attack.

TEXARKANA

Two words told the story of the game — Reginald Scott. Scott, the Johnny Rodgers-type wingback of the Tigers, scored on runs of 62, 37 and 11 yards, on a pass reception of 46 yards, and on a 64 yard punt return and kicked five extra points, destroying Jesuit singlehandedly! 42-12. The score didn't tell the true story of the game, however. The Rangers punched out more yardage on Texarkana than any other team all year with 252 yards and also equalled the high touchdown production against the Tiger defense with two. Vic Lucido was eight for 13 and 140 yards passing and Pride and Barker each scored a touchdown, combining for 116 yards on the ground. Despite the score, the Rangers showed evidence that they were coming alive.

LYNCH

The Rangers opened district at Lynch in quest of their second straight district championship. The Jesuit defense smothered the Friar offense, allowing only 23 yards on 18 carries rushing and the secondary, led by Brett, Unis and Spangler, held the strong-armed Nichol to 6 out of 27 and 2 interceptions passing in the 17-0 shutout of the Friars. Meanwhile, the Rangers, specifically the offensive line, were amassing huge chunks of yardage. Barker had his best game of the year, rushing for 151 yards on 24 carries and scoring two touchdowns. Pride and Lucido gained 97 and 78 respectively as Jesuit picked up 19 first downs and 335 yards rushing in its first district win.

NOLAN

In the second week of the district season, Jesuit hosted the Nolan Vikings. The homecoming crowd was treated to a fantastic display of power football by the Rangers, as they had their second district shutout in a row, 35-0, and advanced their season record to 5-4. The offensive line of Ralph McIngrale, Steve Grindinger, John Garner, Joe Williams and Jerry Silva opened gaping holes in the Viking defense as Pride rambled for three touchdowns (75 yards) and Barker two touchdowns (80 yards). Jesuit amassed 249 yards rushing and 315 yards total offense. Meanwhile the defense, led by tackle Raymond Hollie, held Nolan to 19 yards rushing on 24 carries and 20 yards total offense. Only Dunne stood between Jesuit and a district championship.

DUNNE

In the last week of district, the Rangers faced the Bishop Dunne Falcons in Haggar Stadium. Barker scored early in the first quarter and Jesuit carried a 7-0 lead into the locker room at halftime. But, in the second half, the Rangers exploded for 21 points in coasting to a 28-6 win over the Falcons. The lone Dunne touchdown came on a late kickoff-return; thus, the Jesuit defense didn't allow a single touchdown in district. The defenders, led again by Rager and Blum and tackle Joe Bell, collared the Dunne offense, allowing the Falcons only 57 yards total offense. Meanwhile, Jesuit was picking up 22 first downs and 264 yards rushing. Pride, Lucido and Barker picked up 76, 71 and 65 yards respectively. Thus, Jesuit won the district championship for the second consecutive year and earned a ticket to the semi-final playoffs in Houston.

ST. THOMAS

In the state semi-final playoffs, Jesuit travelled to Houston's Rice Stadium to face the St. Thomas War Eagles, the almost perennial state champions, who had defeated Jesuit the year before in the state championship at Haggar Stadium, 29-15. But, this year was to be the Rangers'. In the closest game of the year, Jesuit defeated St. Thomas 17-16, and ridded themselves of the spoiler and stumbling block of years past. After the War Eagles scored first on a field goal, Jesuit's Lucido ran five yards for a 7-3 Ranger lead. St. Thomas went ahead 10-7 on a 28 yard pass with two minutes to go until intermission. A drive produced Joe Unis' 34 yard field goal with two seconds remaining in the half, and the teams went into the third quarter tied 10-10. Three interceptions by the Jesuit secondary had stopped the dominant Eagles in the first half. St. Thomas scored again early in the fourth period, but Dennis Brett blocked the point after touchdown, leaving the score at 16-10. For both teams these last few minutes meant the season. Successive drives failed until Jesuit faced a first and 10 at the Jesuit 48 with three minutes remaining. A 26 yard pass from Joe Unis to George Monssa gave the Rangers a first down at the St. Thomas 26. Successive short gains and an incomplete pass brought up a fourth and 7 at the 23. Lucido dumped a screen to Barker that carried for nine yards and a first down at the 14. After three unsuccessful plays, Jesuit faced fourth down and ten at the 14 — Lucido hit Monssa on a curl at the two for another unbelievable first down! Pride scored on the next play, Joe Unis made the clutch extra point and the defense held firm to give Jesuit a 17-16 win and a chance to play in the state championship finals in San Antonio.

CENTRAL CATHOLIC

The vaunted Central Catholic Buttons, who had an 11-0 record, were to be the state championship opponents and the emotional games of the week past had to be forgotten: the Rangers' game in Houston and Central Catholic's 9-7 victory over El Paso Cathedral in the other semi-final game. Jesuit was to battle a Central Catholic team with a well-balanced attack offensively and a defense that had allowed only 31 points all year. Despite the signs of a foreboding opponent, the Rangers were confident and ready. Surprisingly, the Rangers overpowered the Buttons in perhaps the biggest mismatch of the year, 43-0. The Jesuit offensive line carved up the Button defense at will for 365 yards rushing and 425 total yards, scoring a season high of 43 points, and a defense completely throttling the Buttons with six interceptions and only 115 yards total offense. Barker and Pride (four touchdowns) paced off 123 and 117 yards respectively, as the defense, led by linebackers Rager and Blum tackling and Spangler (3) and Unis (2) intercepting, displayed the strength it had shown all season. So, on the cold, windy night in San Antonio, the Rangers won the TCIL State Championship for the first time since 1967. It was truly a fulfilling end to a season of potential and determination.

School Activities And Organizations

ACTIVITY PERIOD

Come Wednesday morning and it can be circus time, science show, or Mass. Though we grumble and squirm during that Wednesday hour, we really know that without the activities and assemblies on Wednesday it would not be the same. Reflection makes all remember some event, something learned, or something gained. So it is an important time of community and often of fun. Assemblies t Jesuit are something to remember.
